In the Kanungo's report it is stated that the land required is stated to be for the construction of a cinema. BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA

OF MYSORE AT BANGALORE

(Additional Secretary to Government)

Humble petition dated the day of August 1945 of P.S Narasinga Rao son of cloth merchant, Goribidnur,

MOST RESPECTFULLY SHEWTH as follows -

1. That your petitioner seeks by this petition to lodge his respectful protest against the recommendation, if any, by the Amildar or the President, Municipal Council of Goribidnur for the compulsory acquisition under the provisions of the Land Acquisition Act of S No 71, Karekalhalli village, Kasaba Hobli, Goribidnur Taluk otherwise known as Branch Town Goribidnur, in the circumstances presently set out herein below.

2. Your petitioner has been carrying on business as cloth merchant and tailor and outfitter for many years now. Within recent times he has established a fairly flourishing business of manufacturing ready made garments under the name and style of "The Modern Dress Manufacturing Co This business has been the source of work and living not only to the members of your petitioner's family but to a very large number of the poor people of the town who are employed in various capacities in connection with the said business

3 With the introduction of the Textile Control Orders your Petitioner's business has assumed novel and unexpected aspects Whereas on the one hand it has led to a restriction in the

manufacture

manufacture on account of the scarcity of cloth, your petitioner has been receiving orders from countries outside India for ready made garments Some of the labour hitherto employed by him has had to be discarded and his capital resources, skill and initiative do not find sufficient employment in the existing business He has been hard put to it to find out other venues for utilising them in the best manner possible consistently with the interests of those who have been thrown out of employment

4 Two lines of business appeared to be open to your petitioner. One was to establish a hand loom factory as a complement to his ready made clothes business. This would give employment to all who had hitherto been employed by your Petitioner and even other people. At the same time it would be an industry for which there is great scope in Goribidnur. It would also make his existing business self sufficient. The other was a Talkie theatre. Goribidnur has been fast expanding into a fairly important Industrial Centre in the State There are already a silk parachute factory and several oil seed decorticating factories Entrepraeneurs from Bombay seem to be planning to establish at an early date a vegetable oil factory At any rate Goribidnur is humming with life and activity and shows great promise for the future as an Industrial centre in the State The touring talkie takes away lots of money and had become almost a permanent amenity of life in Goribidnur

5. These two projects, however, meant extensive vacant land A hand look factory, an up to date talkie theatre and another building for

the

the existing business of ready made clothes themselves would take up a large extent of land. Your Petitioner wanted to build a colony for all his employees also in or about the vicinity of his factories If possible the land had to be situated close to the Railway Station.

6. These and similar considerations eventually led your petitioner into selecting S Nos 70, 71 and 72 of Karekalhalli village He found that these lands were private property and could be acquired by private purchase He therefore, started negotiations for the purchase not only of these lands but also for the equipment of a talkie theatre and also for certain power driven machinery for his existing business. He obtained quotations and was on the look out for the looms required for his intended handloom factory. Textile machinery is so difficult to have in these war times

The title to the lands also involved complicated questions as they had become the subject matter of private alienations by their owner Mohideen Saheb and also of compulsory sales in execution of decrees against him Your petitioner was getting these matters straightened out and has been working hard at his projects for the past 18 months and more. He has since completed the purchase of the lands and your petitioner is now the owner of S No 71 the land under reference

7. Whileyour petitioner was thus engaged in his negotiations and plans for converting these lands into an Industrial sulurb and a colony for the workers the proprietor of the Ramalinga Chowdeswarai Touring Talkies of Chickballapur was apparently busy stealing a marci over your petitioner. He seems to have applied to the Municipal Council or the Amillar of Goribidnur that the land S No. 71 should be acquired for him under the Cumpulsory Acquisition Act and handed over to him for the purposes of a theatre As soon as your Petitioner heard of this your Petitioner protested against the acquisition pointing out inter alia that he was entitled to preferences because he was the first to conceive the idea and he was a native of Goribidnur Your petitioner's ancestors three gemerations ago settled down in Goribidnur and your petitioner is therefore a native of the soil in a real sense of the words Your petitioner also apprised some of the Municipal Councillors about his plans for industrial expansion But to no avail As usual in minor municipalities the proposal of the Ramalinga Talkies was sponsored by a few of the Councillors and eventually a recommendation seems to have been sent up to the Government for acquiring these lands. As was to be expected the ~~begign~~ benign Government declined to put the Land Acquisition Act into force for the benefit of a theatre owner and an endorsement seems to have been issued to the Municipal Council in No 9337/L dated 17-3-45 from the Law Secretariat declining to initiate proceedings for the acquisition

8 Encouraged by the report of these proceedings your petitioner completed the purchase of the lands in question and also the two other Survey numbers, viz., S. Nos 70 and 72 of the said village The Municipality, however would not be flouted. Undaunted by the reply of the Government, they were determined to help the proprietor of the talkies But the Government order had made it clear to them that the acquisition would not be made for the benefit of a theatre They also knew that anything put forward in the name of the poor would at once command the sympathy of the Government of His Highness the Maharaja of Mysore They seem therefore to have made a second recommendation for the acquisition stating that the acquisition is intended not only for the purpose of a theatre but for town extension They seem to have alleged that there is no lung space in the town for housing the poor and that the acquisition of this land is absolutely essential in the interests of the poor. This recommendation is being dealt with in File No 8239/L received here on or about 14-6-1945

9 Your petitioner submits that the plea of town extension is a mere pretence and a cloak for persuading the Government to proceed with the acquisition which is really intended for the benefit of a theatre owner As stated above that theatre owner is not a native of Goribidnur and neither equity nor any of the other circumstances of the case justify the acquisition

10. Your petitioner therefore prays that the recommendation, if any, by the Amildar or the President, Municipal Council of Goribidnur may be returned with an order that no proceedings under the Land Acquisition Act can be taken for the purpose as such purpose is not a public purpose. Your Petitioner's plans for the development of these vacant lands definitely include building of houses for workmen and to that extent will certainly lead to a scheme for housing the poor. The locality is ideally situated for the purposes of your petitioner's business and plans for industrial development. As such your petitioner prays that his objection to the intended acquisition may be upheld and no order be passed for the acquisition.

---

Sir,

With reference to your letter dated 17th March 1945 on the above subject, I have the honour to forward herewith the file of records ending with Chickballapur Sub Division Officer's No P I A 29/44-5 dated nil and to state that the acquisition proposed above is not purely for the construction of a cinema theatre. Out of the total extent of 1-19 guntas proposed for acquisition, the council have resolved to set apart about 14 guntas (100 x 150 sq Ft.) for the construction of a theatre and to utilise the remaining extent for town extension. On account of the proximity of the land to the Railway station, the council expect fair realisations by sale of sites and that the acquisition is profitable. The

The Municipal Council have resolved in their meeting held on 28/4/47 that the acquisition is necessary and that the sum of P 523-4-0 may be spent from Municipal funds. In these circumstances, I agree with them and request that preliminary Notifications for the intended acquisition may kindly be published as already recommended

Subject Acquisition of S No 71 of Harekallahalli village, Goribidnur Taluk, for the extension of Goribidnur town

---

Sir,

With reference to your letter No I 1387/ I 15-45-5 dated 28th August 1945, forwarding a petition dated 6th August 1945 (in original) received from one Mr T S Narasimha Rao protesting against the acquisition of the said property and asking for my views on the several points raised in the petition, I have the honour to state as follows

The Sub Division Officer, Chickballapur in his report No P I A 22/44-45 dated 18th May 1946 states that he has inspected the land S No 71 of Harekallahalli village and found its situation to be very close to Goribidnur Railway Station which is just at the entrance of the town The Municipal Council has also resolved on 29/4/46 that the said land is absolutely necessary for town extension It is seen from the previous resolution of the Municipal Council dated 24/8/44 (copy enclosed in the records) that prior to the petitioner's application for the construction of a Cinema building, the Council wanted the land for town extension This Municipal Resolution was not properly drafted and they had clubbed two different subjects in one Resolution i e , acquisition of the entire S No 71 measuring 1-12 guntas and disposing of a portion of the land measuring 180 feet by 10 feet to the Chowdeswara Touring Talkies But the present resolution dated 29th April 1946 referred to in the 2nd para makes it very clear that the land is absolutely required for the town extension

The two contending parties trying to secure sites in S No 71 are, the proprietor of Chowdeswara Touring Talkies and Mr Narasinga Rao The latter is said to be the owner of S Nos 70 and 72 of Harekallahalli village The Sub Division Officer, Chickballapur recommends that S No 71 may be acquired solely for town extension as the land is situated in a prominent place contiguous to the Railway Station and is better suited for building residential quarters He also states that the sites will be very useful for the public to build residential quarters

I agree with the opinion of the local Officers and recommend that S No 71 may be acquired for town extension as this would be more advantageous

advantageous than disposing of the land to a st
construction of a Cinema or industrial building.

In the circumstances, I request you to cause the enclosed preliminary notifications to be published in the Mysore Gazette, authorising the Sub Division Officer, Chickballapur to take further action in the matter The connected records accompany for reference and kind return
